CULBURRA BEACH & DISTRICTS MEN'S SHED

A visitor to Jervis Bay sheltering from the September gales.

Presidents Report

Well, that was an amazing few months! Thankfully we are coming out the other side and will soon be able to do things together as a community.

The Callala Bay Community Association tried several times to hold meetings and the occasional event, but COVID beat us every time! BUT no more. I am glad to tell you all that the next General Meeting of the Callala Bay Community Association will be at the Community Hall on Wednesday 10th November at 7pm. Please be aware you will need to show you are double-vaxxed and will need to sign-in. There is also a limit of 30 people in the hall. You are invited to come and discuss matters of interest to you and our community.

The CBCA Committee met on October 18 to prepare an agenda for the meeting and to discuss future events. Some of the matters we considered:

Please mark your calendars as the Australia Day Breakfast by the Sea will start our 2022 program of events. We will be running a raffle in January leading up to Australia Day to raise some funds to enable us to continue to work for the community. So, if you see some of our committee members -they will be wearing a white and blue CBCA badge- with a raffle book in hand please buy a ticket or three. Some of our local businesses have already donated some prizes - many thanks to them. The list of prizes and the donors will be revealed in early January.

We had to postpone our planned car boot sale in October, but we intend to hold one in 2022 around Easter. You might start thinking about all that stuff in your garage that someone else might love. More on that later.

Just a heads up for the community. A triathlon is planned for December 18 this year at Callala Bay. As for past triathlons, Forest Road will be

closed for a period on the day. The CBCA has written to Shoalhaven City Council to ensure that they synchronise the traffic management on Coonemia Road on the day of the triathlon to keep disruption to a minimum.

We encourage community members to take an interest in the SCC Coastal Management Plan discussions on the Council website. Please have your say and let them know what is important to you. One of the things the CBCA wants included are some permanent toilets near Wowly Creek due to the numbers of people using that part of the beach. You can find links on the 'Get Involved' pages on the SCC website.

Many of you have signed the petition regarding the Sheaffe Street path. Thank you. We submitted over 900 signatures a few months ago and we intend to keep collecting signatures to forward to Council, as we believe the path is essential safety infrastructure for our community. We have been informed that a budget allocation has been made for the design and planning of the path this financial year, although it is not clear which financial year construction costs will be allocated. We will keep you informed as this becomes clearer.

A number of people have asked if they can be updated on the Shoalhaven District Memorial Hospital Redevelopment as there has been considerable discussion in the community about what exactly is happening and when things will start to change. The CBCA Committee has approached the Hospital for someone to speak at a future CBCA General Meeting with a date to be determined. We will let you know as soon as we know.

In the meantime, stay safe. We look forward to seeing you at our meeting on November 10 at 7pm.

Bushcare

A couple of updates from last month. The plastic guards around the newly planted trees on the Callala Bay foreshore have been replaced with more appropriate cardboard versions. And after I reported the observation of farmer Don who drew my attention to the small area of Coolatai grass near the Mitchell Rd beach access track, Council staff inspected the site. Don was right, and the noxious weed has been treated with a herbicide. This particular poison enters the plants via the root system, so our current rainy period is helpful. The herbicide will kill both the plants and seeds but it takes a couple of months. Effectively eliminating this weed is proving difficult in farming areas where it has spread densely before being recognised.

Speaking of problem weeds, there is an infestation of *Ipomoea purpurea* common name, Morning Glory, growing just off the footpath along Lackersteen Street, just past the pumping station. When I looked online to find this photo of its flower I came across another common name 'mile a minute' which gives an idea of how fast this invasive climber grows! It covers both undergrowth areas, shrubs and can wind its way over four metres up trees. Definitely a weed for our group to tackle now that Covid rules have been relaxed and we can conduct our weekly sessions again.

Spring time is a delightful time to observe our native orchids. Australia has the most diverse array of orchids on the planet, with over 1,000 different species. We are fortunate to have many

on show in the bushland around Callala in spring time. The following two photos were taken here by Janelle Menzies, a talented local landscape photographer.

The first is a *Caladenia carnea*, commonly known as 'Pink Fingers' although their colour ranges from white, through pale pink to this crimson one. The flowers are tiny, maybe the size of half the top joint of your thumb.

Pterostylis or Green Hood orchids are somewhat larger, although as the ants climbing on this specimen demonstrate, they aren't giants!

One of my favourite local orchids is the Tiger Orchid. Like other Australian orchids, the individual plants don't flower every year. One morning recently I was walking in the bush near my home, and feeling a bit downcast. As I approached my back gate I saw a Tiger Orchid. Just one, and growing where I'd never seen one before. My mood lifted considerably!

If you would like to become involved with our Callala Bush Care group, please email our Council Co Ordinator Belinda Stewart, Belinda.Stewart@shoalhaven.nsw.gov.au, and she will put you in contact with us. Any queries about information or opinions in this column, my [Diana] phone number is 0419 531 902.

Garden Club Report

Our first meeting will be a week later on Saturday October 23rd with new Covid guidelines. Members and visitors will have to be double vaccinated and show their certificate before entry to the church. It seems a lifetime since we last met which was in July. It will be lovely to catch up with everyone.

This week I visited a friend in Culburra, and while showing me her lovely garden, she pointed to a mass of blue objects nestled among her plants in a shady and protected area. It was the nesting area of a Bower bird. The Satin Bowerbird gets its name from its habit of building a bower out of sticks, and decorating it with blue items, like stolen pegs, straws, and bits of litter, as well as blue flowers and berries. The Satin Bowerbird is thought to go for blue objects because it reflects its colouring, which in turn attracts the right mate. My friend said that this year the Bower bird moved his collection of blue objects and nested in a different part in the garden. You can encourage Satin Bowerbirds to build their bowers in your garden by planting lots of local native shrubs, trees, and plants.

On a sad note, the Garden club has lost one of most our popular and loyal members, Isabel Angus. Isabel and husband Ian lived in Callala Bay until a few years ago when she moved away to be near her daughter. Isabel passed away on September 29th at the age of 93. They built their red cedar home and keeping with the natural beauty of the area decided on a bush garden. She joined the Society of Growing Australian plants

and learnt about growing natives. As a member of our garden club since 1991, Isabel shared this knowledge on numerous occasions as guest speaker. Their house sold earlier this year, but her garden endures. Isabel was a special lady and we feel privileged to have known her.

The last meeting for the year will be on Saturday November 20th 1.30pm at Culburra Anglican Church, Penguin Head Rd, Culburra Beach. Take care and stay safe. Enjoy your garden
Cheers Doris Carpenter (secretary) 44465631

Community Church

As you may have read in Kev's writings Jodie and I have just came on as the new pastors of Callala Bay Community Church. I'd like to take this opportunity to introduce ourselves and let you know a little of what we are about. Both Jodie and I grew up here in the Shoalhaven. Jodie growing up in Nowra and I spent most of my childhood in Culburra but also from when I was 13 spent my high school years here in Callala. We also lived out here together 2 years after we got married. We have now been married for 16 years and have 3 kids. Abi who is 15, Asher who is 13 and Isaac who is 10. After leaving Callala we moved to the Gold Coast for 6 and a half years. Then we moved back to the beautiful south coast. After living somewhere else you definitely come back appreciating where you grew up. We are seriously so blessed to live where we do. We are beach people and love to surf. Just recently I was surfing Callala and there was the most vivid double rainbow. As we sat there in the water we were in the centre of the rainbow, there were dolphins swimming past and I saw in complete awe marvelling at God's creation. These are the moments we live for and what south coast living is all about. Being able to enjoy the simple things we are created for.

Community Church

Out of all the places in the world to be in lockdown, I think we won the lotto in that regard. Jodie is a part time disability carer and also works on a farm. I am in the building trade and have done various trades since I finished school.

The reason we accepted the role here at Callala community Church is that we love Jesus and have felt His Nearness and change in our lives. We are probably not your average churchy Church type of pastors as we are not trying to lead people to church. We desire that people would meet Jesus personally in very real ways and trust that they will. We very much understand that many have been pushed away and offended by various churches over the years and people claiming to be representing God. These truly sadden our hearts but we have also been put off in the same way. Our challenge to you would be to have a chat to Jesus for yourself. Though out the years I have found many have been offended by church but if you dig a little deeper in most cases people are not offended by Jesus. This is because He is Love. He knows you better than you know yourself and the reason He died on the cross for you was so that you could know Him too.

Well there is a little about us. We look forward to getting to know you and if there is ever any way we can help please don't hesitate to reach out.

Kind regards
Ben and Jodie
0407 999 150

Community Garden

ARE WE THERE YET?

Nearly.....the magpies and the seedlings are enjoying showers together thanks to Noelenes

watering system for the new beds and we have a lovely young lady working on a website for us. To join you can now download a pdf from our Facebook page and email it back to us and pay by bank transfer if that is an easier way in our cash reduced society. We are still happy to accept memberships at the garden. To access our harvest, plant sales or produce please join us on Market Days or Working Bee mornings. TUESDAY, THURSDAY and 1ST and 3RD SUNDAYS (weather and COVID restrictions permitting). At the time of writing this we can have 20 people in the garden at a time. The gates are now open more often outside our regular hours. Feel free to visit for a look, a wander, a chat or to pick up some fresh produce or new plants. We are also cutting herbs to leave at the front if you would like to help yourself.

FAMILY FUN MORNINGS....Hopefully these can start in November. Watch the board for info. Contact Mhairi on 0490151585

For more information callalacommunitygarden@gmail.com or our Facebook page

What to donate:

- Non-perishable items
- Supermarket gift cards
- Special Christmas items
- Food to suit kids & the elderly

GIFT DRIVE

What to donate:

- Gifts for all ages
 - babies, teens & parents
- Gift cards
- Unwrapped gifts
- New items only

Christmas
Appeal

Volunteers Wanted

VOLUNTEERS WANTED FOR 18 DEC 21

Have you ever wanted to get involved? Would you like to earn some \$\$\$ for a fundraiser, for a school event or some much needed funds for your sporting (or community) group?

We are looking for some amazing volunteers that would like to assist us with the Callala Triathlon Festival (to be held on Saturday, 18 December 2021)

To enrol, please contact the CBCA Secretary at admin@callalabaycommunityassociation.com

Volunteering is one of the best ways to get involved in the community and to have an amazing experience while you're at it! We are looking for a range of volunteers to work in many different positions including Registration, Baggage, Course Marshals, Recovery and the ever-exciting Finish Line... there is really something for everyone to get involved!

NO EXPERIENCE IS NECESSARY, and we would love for any one of you to join our team!

Best of all, it does not require any of the shopping, organisation and preparation that generally comes with volunteering, you just need to show up and have a great day out supporting your local athletes!

If that deal doesn't sound sweet enough, we will also provide you with some \$\$\$ for your time, whether it be pocket money, a donation

or as money to go towards a fundraiser for your school event or for some much-needed funds for your community / social group.

Alternatively, we provide the donation as EE Dollars for an entry to an Elite Energy event of your choosing (to be used within 12 months of volunteering).

What sort of donation can you expect for your group or as an individual?

Adults (18+) will receive \$50.00-\$100.00 per person, and/or Youths (12-17 years old) will receive \$25.00-\$75.00 per person depending on how many hours you spend working with us at the event site.

Register your interest by emailing admin@callalabaycommunityassociation.com

How will we keep everyone safe and operate during COVID-19?

We have spent considerable time over the past months adapting our strategies to meet the current demand of the COVID-19 pandemic and implementing practices to keep everyone healthy and safe at any of our events. We will have in place the recommendations set out by our governing bodies and will be providing a safe environment for our competitors and volunteers.

Please note that at this time, NSW Health guidelines dictates that all volunteers/helpers will need to be fully vaccinated if over 16 years old.

CURRARONG ARTS & CRAFTS

ClarendonHomes

Claire Graham

Currarong Art Trail

The Currarong Art Trail is an exciting new initiative for Currarong. Situated on the Beecroft Headland, north of Jervis Bay, Currarong is a small fishing village surrounded by ocean and bush land. This natural setting has become the inspiration for over 20 artists who live in the village.

After many months of planning the Currarong Art Trail will be starting on Saturday 6th November 2021 and will continue to operate on the first Saturday of every month following this between 10:00am – 2:00pm.

The Art Trail is free for all visitors. Artists will welcome visitors into their studios to view and purchase original works of art. Our artists' works include photography, political cartoons, botanical printing, woodwork, painting, pottery, glasswork, screen printing and much more!

It is easy to participate, just visit: <https://www.currarongarttrail.com.au/> where you will find information about each artist and an Art Trail Map showing studio locations. Simply choose which artist you would like to visit, plan your walking route around the village and visit the artists in their studios between the open hours of 10:00am and 2:00pm on the first Saturday of each month.

We hope to see you there. Please follow us on Facebook and Instagram and help get this local event off the ground.

Remembrance Day Poem

ONE THOUSAND MEN ARE
WALKING

One thousand men are walking
Walking side by side
Singing songs from home
The spirit as their guide
they walk toward the light milord
they walk towards the sun
they smoke and laugh and smile
together
no foes to outrun
these men live on forever
in the hearts of those they saved
a nation truly grateful
for the path of peace they paved
they march as friends and comrades
but they do not march for war
step closer to salvation
a tranquil steady corps
the meadows lit with golden beams
a beacon for the brave
the emerald grass untrampled
a reward for what they gave
they dream of those they left behind
and know they dream of them
forever in those poppy fields
there walks one thousand men
Joshua Dyer 2019 (aged 14)
Lest we forget

This has to be shared. An incredible poem from 14 year old Joshua Dyer

Culburra Beach & Districts Men's Shed

We're back!!!!

The Shed re-opened on 13 October for fully vaccinated members and visitors. Our operations continue to be governed by NSW Public Health Orders regarding QR code use, space limits, mask wearing, etc. All members were keen to get "back to business" and catch up with their fellow members after our enforced closure.

Our immediate priority is to start our project to supply Shoalhaven City Council with 20 bird nest boxes for installation in local parks and gardens, per our recent Bushfire Recovery Grant (BRG).

The objective of the BRG is to replace habitat lost in the 2019/2020 fires and increase the population of target bird species in local urban areas. Some discussions have taken place with Council staff already. The presence of feral pests like Indian Mynas and Starlings in some of the likely placement locations may require some modifications to our normal nest box design.

The target species will be Crimson Rosellas, who are pugnacious against their own kind, but quite timid when confronted by Indian Myna birds and Starlings.

Crimson Rosella (*Platycercus elegans*)

Our native parrots, including rosellas, are a colourful addition to backyards, gardens and local parklands. But please spare a thought for some of our other local birds that depend on (rapidly dwindling numbers of) tree hollows for shelter and breeding.

Our nest box range includes boxes for Australian Owlet Nightjars, Tree Creepers, Grey Shrike Thrushes, Kookaburras and Pardalotes. All of these birds are endemic to this area, but perhaps seen less often. Prices start at just \$30.

Owlet Nightjar and Treecreeper nest boxes

We return to the Callala Markets on 13 November and look forward to seeing our supporters and customers again.

You're welcome to call into the Shed on Monday or Wednesday mornings, from 9am to 1pm. For more information, or to enquire regarding membership, please call 0499 452095 or visit our Facebook page.

Get tested for COVID-19 if you have **cough, sore/scratchy throat, shortness of breath** or **fever**.
