

What has the CBCA done for Callala Bay?

The list is very long, but here are some highlights:

- Provide written and verbal submissions to Council and the State Government on planning and environmental matters that are of concern to the community.
- Advocate for facilities for Callala Bay such as the shared pathway around the headland.
- Organise a petition (over 3,000 signatures) resulting in the completion of the Sheaffe St pathway last year.
- Fundraising to support local groups such as the primary school, the soccer club, the Callala Bay RFS, the Outrigger Canoe Club and the Callala Community Garden.
- Organise and run Breakfast on the Bay on January 26 each year, organise and run the free Callala community Christmas Day lunch.
- Purchase, install and restock all the doggie poo bags along the pathway
- Built the fish cleaning facility and the picnic table near the skate park.
- Provide the monthly Callala Bay News

WHO WE ARE...

The Callala Bay Community Association Inc (CBCA) is a volunteer, not-for-profit, non-political community group, which has been operating in Callala Bay since 1963. It is formally recognised as a consultative body to Shoalhaven City Council (SCC) for Callala Bay and acts as a conduit between the community and SCC to disseminate information from Council to the community, and to raise directly with SCC matters of interest and concern from the community.

The CBCA holds regular meetings to which all community members, and visitors to Callala Bay are invited to attend.

HAVE YOUR SAY...

We want to hear from our community and invite you to take part in our survey. Your feedback, ideas and experiences are important in helping us understand what matters most to you, which will help shape the future of our community.

Take a few minutes to complete the survey and make your voice heard.

Drop your completed survey into the provided collection box at Callala Bay butchers, Post Office, pharmacy or IGA.

Please make sure you complete and return your survey before the end of November. All responses will then be collected and collated, with the results published to highlight the community's most popular concerns, priorities and requests.

We'll share the results and outcomes in the January edition of our newsletter, so be sure to look out for the update and see how your feedback has helped make a difference.
