# Culburra Beach & Districts Men's Shed

Our Men's Shed, like many other community organisations, is a not-for-profit organisation. Accordingly, fund raising and income generation are constant issues if we are to continue our activities.

Annual membership fees are kept to a minimum and primarily cover our biggest annual expense – insurance! The workshop equipment that we use can be dangerous and, despite due care and training, accidents can occur. Our insurance is negotiated by the Australian Men's Shed Association, in order to get the best possible premium for each affiliated Shed.

Grants from various Government, Council, Community and private organisations have assisted us in the past to procure major items of equipment like solar PV panels and dust extraction units. We continue to seek these grants whenever available.

Donations, both private and corporate, were an important component in the initial building and establishment of the Shed. In particular, we greatly appreciated Warren Halloran's support – the Shed is named in his memory.

Door sales and Callala Markets sales of our products are our main source of funds for materials, etc. This has been augmented by various projects e.g. supply of bedside units to Illawarra Retirement Trust and nest boxes for Shoalhaven Council via a Bushfire Recovery Grant. We also make items to order on request.

We are proud to be associated with the Callala Markets due to their strong community focus. Stallholder fees are routinely used for donations to various local community groups and charities. Since their inception in 2017, the Callala Markets have donated about \$7,000 to groups as diverse as Callala Bay RFS, Callala Beach RFS, Shoalhaven Hospital, Callala Public School, Marine Rescue Jervis Bay and Marine Rescue Shoalhaven.

Their most recent donation was to the Callala Brumbies Soccer Club, as featured in the August edition of Callala Bay News. Our Shed is pleased to have contributed to the above in our small way.

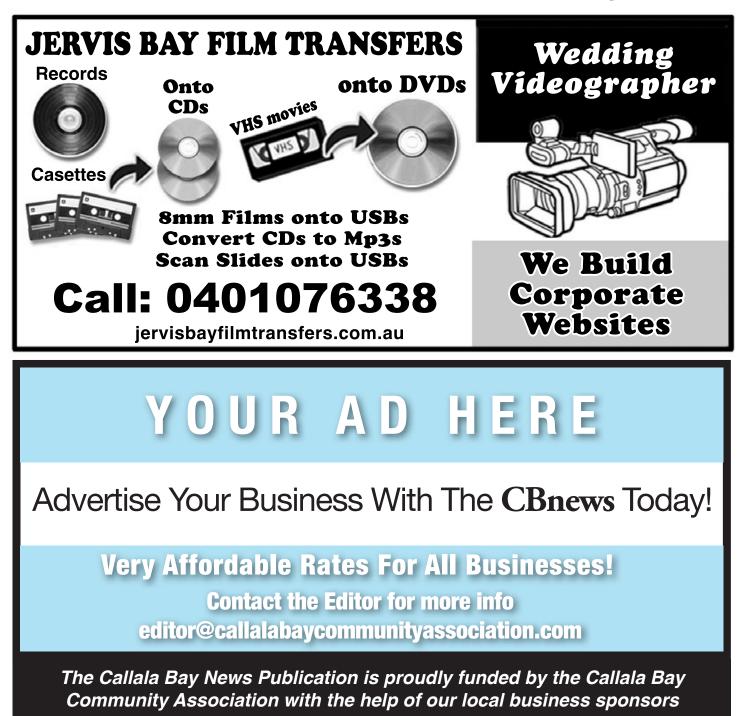

We will be at the Callala Markets on 8 October, with our range of timber craft, nest boxes and other products for purchase.

Otherwise, please call into the Shed on any Monday or Wednesday morning, from 9am to 1pm, for a coffee and chat about membership or our products and services.

For more information, call us on 0499 452095 or visit our Facebook page.

*Glyn Williams of Marine Rescue Shoalhaven with their donation cheque* 

# **Bushcare**

Over the past month our team has worked at the following sites:

# Myola

The erosion of the foredune at Myola Spit has inadvertently reduced the Dolichos Pea weed load there, but the troublesome weed has spread along the road leading to the car park. Hopefully we have stalled some of that growth by removing the vines and flowers, which can smother shrubs and trees up to several metres high. This weed is another example of a plant imported from South Africa mid nineteenth century as a garden plant due to the attractive pea flowers.

# **Callala Bay**

Lackersteen St. If you are walking towards the car park, about 30 metres before the STOP sign, there is a patch where the creek waters have pushed up, and native Common Reeds have spread around the water. The area has been 'disturbed' and consequently is very weedy. Our work removing the weeds there has been helped by Council spraying along the edge of the vegetated area. We took advantage of that and have removed weeds from a lovely patch of Maiden Hair fern which is about ten metres towards the creek. Also removed was Buffalo Grass that had spread around and among the Common Reeds. Now you can look from the path right down to the creek, and there's a plethora of native wonders to behold!

Hopefully the summer King tides will inundate the area adjacent to the car park which hits the dreaded Veldt Panic grass, although the native grasses and ground covers die back due to the salty water as well.

# Boorawine

Dune at end of Mitchell Rd. Buffalo removed next to Sealark track. They're hard to find unless you start clambering about but there's been considerable regrowth of (dumped garden waste) weedy succulents, mainly Crassula, at both sides of the area. Removal is painstaking work, because every root, every stem and every leaf needs to be bagged or weed will regrow. Alarmingly a weed/ garden escapee new to the area, Vinca major is starting to spread here. Our Council supervisor is providing advice about removal of this weed. It's hard not to feel frustrated about people growing (and dumping) plants like Crassula/Vinca major close to bushland, but we all make choices that others in our community find fault with, I suppose.

Given it's September, small native orchids are appearing, including some courageous Green Hood Orchids that popped up right on the edge of the foredune half way along the beach here at the Bay. The salty winds burnt those at the very front, but others remained longer.

Our Council contact is Michael Smith, ph 1300293111 or

Michael.Smith@shoalhaven.nsw.gov.au.

As noted previously, please feel free to contact me on my number below if you would like to give Bush Care a go. Our regular group sessions are on Tuesday mornings, but we can be flexible in site, days and timing for those who are interested in participating.

Any queries about information or opinions in this column, my [Diana] phone number is: 0419 531 902

# **Presidents Report**

The CBCA Committee met in August and September. While a General Meeting has not been held, much work has been done behind the scenes.

The CBCA assisted the Callala Bay Fire Brigade advertise Fire Readiness Weekend on Sat and Sun, 17 and 18 Sep 22 at the Fire Station. Additionally, the CBCA hosted a 'Facts and Fallacies' session with the Fire Brigade on Thu 15 Sep22 for interested community members.

The CBCA actively pushed for and then held a special drop-in session on the Coastal Management Program on 7th Sep 22, for all Callala residents which was hosted at the Callala Beach Progress Hall. (see article in this edition) The consultants leading the project were extremely satisfied at the great turn out on the day.

The Committee approved a donation to the Callala Bay Brumbies Soccer Club of \$500. The Club has been unable to play on their home ground because of the heavy rain and this has had a negative effect on the Club's fundraising capability. This is a great example of local funds being used to support the locals! CBCA sausage sizzles and our annual raffle help to ensure that funds are available for these activities.

The CBCA Committee discussed ways to make the Newsletter a 'good read'. We have decided to include a short paragraph and photo on interesting locals and visitors in each edition, because it's great to know about the people who make up our community. (See separate article). If you have a neighbour or friend who you think would be a worthy subject, then please let us know. They could be school aged, retirees, artists, volunteers and many others. There are many amazing people in our community! Unfortunately, there have not been many stories from sporting teams, clubs or groups, so let us know of your teams' successes or tales and we will include them in your Newsletter.

The Committee also wants to encourage a greater knowledge about our Callala Bay history. I if you have photos or old newsletters or articles which you are willing to share, we would love to see them. Bring them to a meeting and we can copy them for future articles. One of my neighbours brought me a copy of the 1970 Callala Bay Progress Association's Seventh Annual Report the other day which had been kept in a box in storage. One of the articles I found interesting was a note about a proposed steel works on Jervis Bay. Who knew! If anyone has more on this idea and what happened to it, we would love to hear about it. We have also included a great photo from by-gone times in this edition featuring some interesting outfits.

In addition, members of the Committee meet with our Ward Councillors and SCC officers regularly to raise matters of concern from our community.

As you can see, in between General Meetings, the CBCA Committee is actively working to support the Callala Bay community.

Presentation of \$500 from the CBCA to Callala Soccer Club Vice President Anna Gardner by Mark Bennie, the CBCA Treasurer. Anna was very chuffed.

# **Next Meeting**

The next General Meeting of the CBCA will be held on Wednesday 12th October at 7pm. We look forward to seeing lots of people there.

# **Postal Services at Callala Bay**

A new Community Post Office (CPO) is now operating from the Tempt Gift Store in the Callala Shopping Precinct. Its opening hours are Mon to Fri from 9:00am to 4:00pm and Sat from 9:00am to 12:00 noon. The CPO can provide stamps and envelopes, parcel collection and Express Post services. However, banking and bill pay facilities are yet to be arranged. As you can imagine there is a degree of training, customer safety and other activities peculiar to Australia Post which must be achieved by the staff before the CPO can become a Licensed Post Office (LPO).

The return and provision of physical Post Boxes are dependent upon specific approvals and proce-

dures and these must be met before the boxes can be installed.

The great news is that full postal services should be available before Christmas.

Please be aware the staff are there to help you with postal queries. Until the full LPO services are available, your continuing patience and support to the staff is appreciated.

# **OPENING:**

Tuesday, Thursday & Friday Mornings from 8.30 till lunch

1st and 3rd Sundays 9 am till lunch time 2nd Saturday each month for the Produce stall 8 till noon.

callalacommunitygarden@gmail.com

# WHATS HAPPENING:

- 1. Saturday 1st October 2022 2pm GENERAL MEETING
- Family Fun Friday Mornings the last Friday every month (Weather permitting) Morning tea will be provided by the garden 9.30 to 11am.

For all the community - not just members.

- 3. PRODUCE STALL Saturday 9th October 2022 8am till 12 noon
  - a. Come and meet the team and pick up some fresh produce from the garden.We pick it at your request. (Cannot get fresher than that)
  - b. Cakes also available
  - c. A selection of potted plants and seedlings
    - Succulents galore!
  - d. Herbs available for free.

# So! Whats in the ground?

**VEG:**- Beetroot, Parsnips, Silverbeet. Leeks, Broad Beans, Snow peas, Radish, Strawberries, Potatoes, Fennel. Rocket, Lettuce, Sorrel and more...

**HERBS:**- Coriander, Sage, Turmeric, Bay leaf, Kaffir lime, Shallots, Dill, lots of Garlic in the ground, Lemon thyme, Parsley, Chilli

**EDIBLE INDIGENOUS plants include**: finger limes, riberry, lillipilli, davidson plum and midyim berry. No fruits yet.

Ongoing fun for our little people. We now have regulars returned most Fridays mornings to play and mums help out in the garden. CONTACTS:-Victoria Maudson: 0424 590 105 Gail Fitzgerald: 0412 930 080

Our last working Bee was well attended and very productive.

- A good start to the drainage system
- Progression on painting of plant stands
- Painting progressed on Julia's Garden. Look for the pink wheelbarrow

BBQ and beer followed all the hard work. Thanks to all who made it such fun.

The lucky winner of our Father's Day Raffle was Bridget from Thirroul. Thanks to all our ticket buyers and sellers.

Welcome to our new members. We are now a friendly, social bunch over 70 strong, joining together to laugh and learn. COME ALONG AND HELP US GROW

## Page 18 – Callala Bay News

WELCOME to the Callala Community Centre, conveniently located opposite the shops in Emmett St, Callala Bay.

We are one part of the Shoalhaven Community Information Network (SCIN). Our technology has been upgraded to include solar panels, a storage battery, and satellite communications to provide an independent, continuous, communication solution with the Nowra Emergency Centre.

The information can be seen on the screens located at the Centre.

An audio-visual system has been installed in the Centre offering flexible and comprehensive facilities, including;

• blue tooth; computer connectivity; the ability to operate DVDs and CDs and play personal audio-visual files from a USB drive or SD memory card.

If you want to have a wedding; memorial service; business conference; group gathering or family reunions the Callala Community Centre is well worth considering.

# Our facilities include

- A well-equipped kitchen; air conditioning; raised stage and off-street parking, and
  - Crockery, cutlery and glasses and seating for up to 120 people

For all hiring enquiries contact Cynthia on 0412 121 737 or email cynirwin974@gmail.com Follow us on Facebook at Callala Community Centre.

Callala Bay News – Page 19

# **Don Hogan - The Orchid Whisperer of Callala Bay**

Local resident, Don Hogan, moved to Callala Bay in 2010 from Bass Hill. He brought with him his amazing knowledge of orchids which he shares with everyone in the community. Don grew up on farm near Kyogle and moved to Sydney when he met his future wife. He started work with Goodyear and then after working in a number of industries, retired to enjoy more orchid time.

He had no knowledge of orchids prior to the late 1970s when he started growing them in his backyard almost by accident. He joined Bankstown Orchid Society, started showing orchids in the 1980s and the rest is history! At 84, Don is still very active, being the Show Marshall for both the Milton-Ulladulla Orchid Society and the Shoalhaven Orchid Society currently.

Don says he is always learning and through attending shows he can share his own knowledge. Don's back yard is alive with dozens of different varieties of orchid. Some locals will have stopped by Don's annual orchid sale over the past decade just to see what new varieties he has grown.

The photo shows Don with the many awards he has won in recent years for his beautiful plants.

# Culburra Beach & District Garden Club Inc.

Hello everyone, at our September meeting the display table, Showcase Spring, was filled with spring bulbs and flowers. Perfumed sweet peas filled the church and made us all feel happy. President Bev welcomed 21 members, one visitor and guest speaker Diana Lindsay. I was able to convince Diana once again to speak to our members as she is a wonderful speaker. Many of you have probably spotted Diana in Callala in her Bushcare uniform, pulling out invasive weeds and plants which have "escaped" from home gardens. As a member of Bushcare, Diana writes a monthly column about the regeneration of our bush. She also volunteers at the Council Native nursery and is a regular at the CCG where she looks after the compost heap and much more.

Some of our new members were interested in growing native plants and they live in Culburra where soils can be sandy or clay. Diana was able to name some species which would grow well depending on their soil type- Kangaroo Paw, Callistemons, Dianella (Flax Lilies), Lilly Pillies, Coastal Rosemary, Eucalyptus and Wattle. We loved what she said about crowding cuttings together in a pot as plants communicate with each other and they encourage each other to grow. She also said that natives can struggle in home gardens because they are not growing in their right environment.

How many of you have tried growing maidenhair fern as an indoor plant? I know I have and after a while it dries out, goes brown and is taken outside ( hopefully) to recover. Did you know that this plant is a native- Adiantum aethiopicum belongs outdoors and not in your lounge room as stated by Diana. Also known as the common maidenhair fern, it has widespread distribution, in Africa, Australia, Norfolk Island and New **Page 22 – Callala Bay News**  Zealand. You see clumps growing around Callala in shady, boggy areas and it thrives.

At our June meeting, we celebrated Queen Elizabeth's 70th Platinum Jubilee. We planted 3 trees at the Anglican Church to commemorate this event. Sadly, the Queen has passed away after a lifetime of service and duty, but we will always remember that afternoon as members recalled seeing her Majesty when she visited Australia.

We meet on the 3rd Saturday from Feb. – November 1.30pm at Culburra Anglican Church, Penguin Head Rd, Culburra Beach. Please bring your own cup/ mug for afternoon tea. Membership fee is \$20 annually.Cheers to all, Doris Carpenter 44465631

Happy gardening

# **Callala Medical Centre**

Spring is here, and I have personally very much welcomed the noticeable change in the weather. And as I look around the bay, more boats are out in the water, and more people are out enjoying the sun. With this in mind, I do want to remind everyone to slip slop slap their sun screen, remember your wide brim hat, and do not forget to have a yearly skin cancer check. A skin check will only take a few minutes, it can save a life, and is a service that is offered by myself at Callala Medical Centre. Otherwise, for a list of GPs who have taken additional training on this topic, visit Locate a doctor on the Skin Cancer College Australasia's website. Please contact our friendly team if you have not had a skin check in recent time, we are welcoming new patients.

In other news, we are grateful for the patience from our patients as we are building a new consultation room, with plans to attract a new GP to our little town. We are also doing a bit of spring cleaning of our booking processes, and soon (if not already by the time this is printed) you will be able to book your appointments via an online platform called Hotdoc, as well as via phone the traditional way.

# CALLALA - Shared User Path Network and Road Rehabilitation Community Consultation

Shoalhaven City Council is designing a Shared User Path (SUP) and road rehabilitation for Callala and Callala Beach Road. The overall project is split into multiple stages to enable a staged delivery.

The Round the Bay Walking Track is the scenic shared pathway between Callala Bay and Vincentia providing a picturesque journey to explore and discover the beauty of Jervis Bay. Council's shared path network aims to encourage pedestrian and cycling activities and support active lifestyle opportunities.

The Round the Bay Walking Track is being constructed in stages and Council is progressing designs for future stages of the path. The stages being designed fill a gap between Callala Beach Road and Griffin Street in Callala Beach. It includes a beachside path along Greenway Road to Lennox Road, and a path along Lennox Road to link up with the existing path along Griffin Street.

Initial investigations have also begun in planning for an extension of the shared path along Quay Road to link up with the existing path on Myola Road.

Additionally, Council is proposing to provide a Shared User Path from the existing carpark at the intersection of Callala Beach Road and Greenway Road to Callala Public School in Callala Bay, establishing a second pathway connection between these two townships. The project also includes the extension of the path network along Sheaffe Street, from the existing path infrastructure at Lackersteen Street to the culde-sac. Once completed, this path will provide a valuable direct link between Callala Beach and the Callala Bay shops.

# Shared User Path and Crossing Locations:

- Callala Beach Road from Greenway Road to Emmett Street.
- Emmett Street from Callala Beach Road to the existing path infrastructure at Callala Public School.
- Emmett Street pedestrian crossing across from Callala Bay Shops.
- Greenway Road from Callala Beach Road to Lennox Road.
- Lennox Road from Greenway Road to existing path infrastructure at Griffin Street.

# **Road Rehabilitation:**

Callala Beach road is proposed to be upgraded between Roskell Road and Emmett Street. Works along Callala Beach Road involve road widening, providing shoulders and clearance requirements to road-side obstacles. The upgrade will improve the road condition and safety for all road users whilst providing an off-road SUP along the road. Callala Beach Road may be subject to early intervention on the pavement works due to disaster funding available to Council.

# Timeframe:

The project is currently in the concept design phase with the road rehabilitation to progress. Future funding to progress the shared user path project will be sought through grant opportunities.

Council is inviting the community to provide feedback on the proposed works to assist with decision-making during the development of the project. Please visit our Get Involved website to review the concept design and provide your feedback by the 30th of September 2022.

# Extended Bus Timetable for Callala

Adam Darcey from Stuart's Coaches has advised Transport NSW has extended bus services throughout the Shoalhaven.

Stuart's Coaches will now be providing an early morning service, starting at the Callala Beach shops at 05:51am, travelling directly to the Callala Bay shops, then to Bomaderry Railway Station to meet the 6:43am train.

A return service at 17:17(5:17pm) will follow the bus route as required. The revised timetable is available at https://stuartscoaches.s3.ap-southeast-2.amazonaws.com/ timetable.pdf.

A copy is also included in this Newsletter.

# **Coastal Management Program drop-in session for Callala Bay and Beach**

A special drop- in session for Callala Bay and Beach residents about the Open Coast and Jervis Bay Coastal Management Program (CMP) was held on Wednesday 7th Sep 22. The consultant responsible for the project, staff from the NSW Planning Department and an officer from Shoalhaven City Council were present to answer questions, discuss the process for obtaining input from interested community members and listen to community concerns.

A good turnout of over 30 people attended and many stayed for the full two hours, completing the surveys and talking to those responsible for putting the CMP together. Residents from Callala Beach and Callala Bay attended, and many said that they felt that they had been listened to and appreciated the assistance they received to enable them to complete the on- line survey on the day.

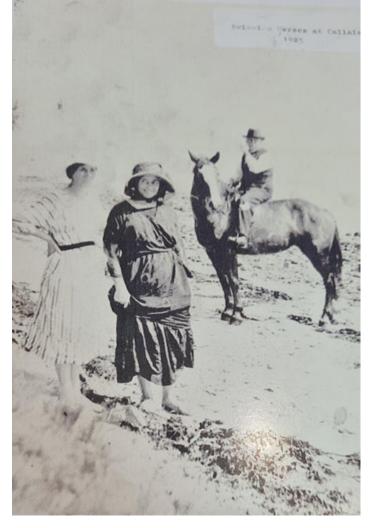

The most interesting thing was reviewing the maps for our area which showed the actions so far developed to manage our coastline for the next 10 years. We took the opportunity to comment on the actions identified and to add potential actions to the list.

You can still provide feedback on the actions developed by going to getinvolved.shoalhaven. nsw.gov.au/open-coast-and-jervis-bay-cmp.

This is your chance to have your say and the CBCA encourages you to do so. There may be other hands- on sessions in the future and we will keep you updated as appropriate.

If you would like more information about the CMP please contact Nigel Smith - Lead Coastal Management SCC: nigel.smith@shoalhaven.nsw.gov.au

# From the archives

A photo from 1925 (we think) Titled Swimming the horses Callala Creek.

If you know who these people are or even the name of the horse, the CBCA would love to hear from you.

We are interested in sharing Callala Bay's history with the community.

We will be including some stories and photos in future newsletters which we hope readers will enjoy.

If you have photos and stories which give an insight into the development of Callala Bay, the CBCA would love to see them.

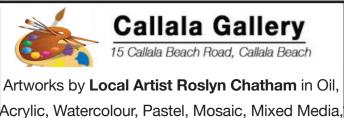

Come to a CBCA meeting and share our history.

# **Tea Cosy Competition**

At the Callala Markets on Sat 10 Sep 22, the judging of the Tea Cosy competition took place under the watchful eye of Sandra Irwin. Over 40 entries were on display and other than proving the art of crochet and handicrafts is till alive, a very generous \$273.25 was raised for the Callala Public School. To all those who contributed to provide the most imaginary designs, worrying over crochet needles and other tea cosy-making materials, a heartfelt thanks for making the event a great success.

Just a few of the entries

Resin Work. Landscapes, Seascapes, Local Scenes, Fantasy Art, Portraits, Commissions. Open by Appointment Only

Phone: 44465770. Mobile : 0407465770 Email : Roslyn.chatham@bigpond.com Callala Gallery on Facebook

The winning entry for a child

and the winner is Mrs Potts - Congratulations

# **Scammers**

With a rising number of scams being reported in Australia each year, it's important you know how to recognise suspicious activity and understand what to do if you're targeted. Scammers are usually after your money or your personal details never give them either.

Calls, emails, social media and texts are among the most common ways scammers will try and contact you. You can keep yourself safe by staying alert, staying calm, and asking yourself a few simple questions:

- Who is this person, do I know them?
- Why do they want my money or my personal details?
- Why do they want access to my computer or my phone?
- Why do they want me to click on a link or download a file?

When you're transacting online, it's so important that you keep your personal details secure. You should never share your e-banking security code or PIN, and you should never send money to someone you don't know.

# **Remote access scams**

A remote access scam is when a scammer contacts you via phone, text or email claiming to be from a company you may be familiar with such as your bank, a utility company, telecommunication services (such as NBN) or a government agency.

Scammers will trick people into gaining access to their phone or computer providing them full access to personal information from a remote location. Scammers will try to convince you to install software on your computer or device to gain access to your personal and financial information.

# How to protect yourself

- Never provide a caller with remote access to your computer.
- Never provide your personal details to a caller you don't know over the phone.
- Tip: if in doubt, hang up and call your service provider directly via their publicly listed number.
- Never share your login information with anyone over the phone, via text or email (we will never ask you for login details), including one-time passwords or security tokens.
- Make sure you complete regular software updates on your devices and ensure that antivirus software installed on devices is up to date

With thanks from Bendigo Bank
