## CBCA Update

Can you believe it? Here we are in May and it only seemed like yesterday we celebrated Christmas. Now Easter has been and gone, we've put out clocks back and winter is almost upon us.

Grant Schultz, the Independent Candidate for the seat of Gilmore was a guest at the April Meeting and told us a little of his life. An Ex-Federal policeman who has served overseas and is now a local businessman. Grant stayed around to answer a few questions from those attending. Fiona Phillips, the Labor Candidate has booked in for our May meeting, and Katrina Hodgkinson the National Party Candidate helped at our Easter Saturday BBQ.

Councillor Patricia White spoke about a conference she recently attended on the Gold Coast regarding the construction, maintenance of common failures of Bridges. She and one other Councillor from SCC were the only Councillors who attended the conference. Pat spoke about the need for SCC to develop a comprehensive bridge maintenance program to increase the lifespan and safety of bridges in the Shoalhaven. There is still no further definitive word when the Crookhaven River bridge work will start, and we remind those interested to please keep referring to Council's web page for the latest information on this very important piece of local infrastructure. Duncan Marshall presented a short paper on the Sealark Road proposal, which included a report on the Council's decision. In response to Duncan's presentation, Pat faced some "hostile" questions from the floor, including the reasons for the decision. In a lengthy explanation Councillor White made us aware of the process Councils and developers had to go through and gave us examples of local issues and procedures before any development could be approved by Council. Referring the proposal for a gateway determination does not automatically mean the developers application will be successful. It must meet many stringent conditions before it can go on public exhibition, including responding to

objections from the community. Our time to lodge our objections will come. In the mean-time Council responded to our letter asking they issue a cease and desist order, although they declined to issue the request, they did ask the developers to contact them before any activity, including slashing and earth works is undertaken. It is vitally important everybody remains vigilant and let us know if you see any activity in the area of Sealark Road.

At the time of writing we are still waiting a determination on a Native Title Check (NTC) before we can proceed to pour the slabs and install seats and a picnic table on the park land North of Sheaffe St. We are also waiting on the outcome of an Aboriginal Heritage Impact Plan (AHIP) to allow us to extend the path from the Marine Parade turn out/car park- to the Headland. If we get the AHIP Variation approved, it is intended to install two more contemporary Indigenous Carved Poles and a carved seat.

Incidentally, Callala Bay is mentioned in the Council Public Art Exhibits in the SCC Tourist Guide for the installation of our original carved poles. We have poured slabs in the play ground area next the boat ramp and on the foreshore between the boat ramp and the Sailing school to install seats. However due to a council misunderstanding of the actual location of the foreshore seats we need to wait for a further NTC determination before we can proceed. Our request to install bollards to protect the grassed area and to prevent vehicles from accessing the beach to launch or retrieve boats has been declined.

You should all be aware of the Federal Election to be held on Sat 18 May 19. Local Polling Stations will be at Callala Bay, Callala Beach, Currarong and Culburra Beach.

Next CBCA Meeting. Don't forget the next meeting of the CBCA. It is on Wed 15 May 19, at the Callala Community Hall, Emmett Street, commencing at 7:00pm.

# Callala Medical Report

Kidney disease awareness week was in April. People are always so shocked when I do tell them they have chronic kidney disease and their first response is always "but I feel so well". 90% of kidney function can be lost without any symptoms, and there are currently 5 million adults living in Australia at risk of developing chronic kidney disease due to risk factors such as diabetes, hypertension, obesity and being of Aboriginal and Torres Strait Islander origin.

The kidney is important for functions like blood pressure control, bone strength, and the manufacture of red blood cells, and when the kidney disease progresses then those functions can be impaired. So if you are worried that you have risk factors for chronic kidney disease, and you have not had a blood test for a while, then it is best you have a chat with your doctors or the friendly team at Callala Medical Centre.

In other news, the Callala medical centre will be running flu vaccine clinics through the months of April and May for those with chronic disease.

## Splatters from The Studio

April was an extremely creative month for us. We enjoyed the company of a group from Flagstaff who created the most colourful papier mache bowls out of tissue paper. The results were displayed at the Flagstaff Exhibition held on Saturday 13 April and the results were magical. Also on display at the Exhibition were the self portraits completed by the group in February and also on show were boomerangs designed and painted by these talented young people.

Children's programs over the Easter break were well received and enjoyed by many of the participants. Morris the Wonder Dog was a huge success and enjoyed being the centre of attention while holding a beautiful pose. More papier mache bowls were created by several young children who then watched as the balloons were deflated and a colourful patterned bowl was revealed. Along with leaf printing and a Winter Fox blow painting the community children were creatively occupied during their Easter break. Additional Children's Classes are being offered from 4:00pm to 5:30pm on 2 May, 16 May and 30 May. Bookings are essential, please call in at The Studio for more information.

Preparation for the Callala Winter Arts Festival is coming along with many of our volunteers crossing off those "to-do" items from their extensive lists. Much planning and organisation goes into these types of events and we hope this year to surpass last year's efforts. Work is well under way to making this year's Festival the best one yet. Lots more information will be relayed to the community so you can plan where you want to be on what days. Remember the Festival will open on Friday 7th June at the Callala Beach Hall Where we will hold our Open Art and Young Artist competitions. The Callala Community Centre will host the Textile Art Exhibition with demonstrations, along with the regular markets, both in the Centre and on the grounds on Saturday 8th June and continuing Sunday 9th June.

Members of the Callala Arts Group Committee attended the launch of Tourism Shoalhaven with a wonderful high tea and an inspiring speech by Mayor Amanda Findley. Among Shoalhaven City Council representatives were Councillors Patricia White and John Wells. A number of the brochures "Art and Culture", "Walking Trails" and "Holidays with Pets" are available from The Studio.

Our new 9th Exhibition submission forms are available at The Studio or email me and I will send you a copy. You need to return the completed form to The Studio by 5 May. Artists exhibiting in the current exhibition are reminded that all work must be picked up by 5 May (we cannot store your art pieces). New work can be submitted to The Studio from 10am to 3pm on 8 May or 10am to 12noon on 9 May – sorry but no late entries can be accepted. The opening night is Friday 10 May, so come along, meet new friends, share some refreshments and have a look at the magic our wonderful artists have created. We're hoping that a consignment of paintings from a Canadian artist will be on display at this exhibition if the post arrives in time.

## Police Report

For most of us the weekend starts on Friday night, we come home, pat the kids, kiss the dog and start to relax. Some may get organised for a night out with the wife, partner or mates. There is no law against having a few cold ones before you go out (As long as you don't drive). Police are not against

people having fun in the community including people who are out for the night having a good time in our Pubs, Clubs and Restaurants.

So, you've had a great night but unfortunately you may have had a little too much to drink. No great problem, you will either wobble off with the designated driver and get home, Use the wife or Husband for a crutch and walk home or even get the Club bus home. All that you will have in the morning is a sore head and an urge for an egg and Bacon roll. Or will you?

Some people, and I know it's a minority, after drinking become belligerent, quarrelsome or aggressive. Whilst in a Licensed Premises if you display any of these qualities or show signs of intoxication you will be asked to leave. If you are asked to leave you must go immediately. Do not stand there in front of the bouncers arguing the toss, just leave because you can be issued with a fail to quit Infringement notice that will cost you at least \$550. (A Magistrate can increase the penalty tenfold at Court up to \$5500)

If you have been asked to leave and you go to avoid the \$550 fine please do not hang about outside. If you do you could face another \$550 fine for Remaining in Vicinity. You must be at least 50m from the peripheral boundaries of the premises including the car parks. If you leave the area and then return within 6 hours you could again be fined \$550 for re-entering the vicinity of a licensed premise. You cannot go back inside the Licensed Premise for 24 hours.

Most people are aware of this however some people just cannot handle their liquor and after being asked to leave the premises they continue to argue. This is when the Police are called. Police attend and are confronted by intoxicated persons shouting reasons why they should be let back in or why they should remain etc. Instead of walking away when asked, sometimes the intoxicated person (male or female) takes it out on the closest Police Officer he/she can find. Starting with abuse and on occasions continuing with an assault.

## Police Report

The incident can escalate resulting in someone getting arrested or further action which also results in having to go to Court. Believe me, one of the loneliest places on earth is the witness box at Court. Remember, it is your actions whilst in public that determines how your night goes. It could cost the price of a meal and a couple of drinks or it could cost you much more in fines and Court costs. We are not the Fun Police as I have been called many times. If we were the Fun Police we would be wearing a clown costume and have a sad clown face painted on our faces. We do our job to protect you so you can go out next Friday night and beyond.

All About Ears— What can your dog hear and What are your dog's ears telling you??

Dogs can hear much quieter sounds than humans and they can hear things that are four times further away than humans.

Dogs can hear much higher frequency sounds than humans.

Dogs can move their pinna (the ear flap) into many different positions. There are eighteen muscles controlling the pinna. They can move the ears into an alert position to enable them to capture sounds and they can turn the ears into the direction of a sound.

Dogs listen for words when we speak to them, but more importantly they listen to the tone the words are spoken in.

Using MRI technology, researchers scanned the brains of dogs listening to recordings of their trainer's voices using praise words like 'well done' and then neutral words, like 'however' and spoke the words in high pitched, 'good dog' voice and in a neutral tone. When praise words were spoken with a praising intonation, the reward centre of the brain was activated .It was not activated when praise words were spoken with neutral intonation.

We would have to be very good at mimicking barks if we would really like to be understood by our pets. Our vocal chords are different from those of a dog and they can hear that we make different sounds than they do.

Dogs can definitely distinguish between different people's voices and they can learn words. A border collie called 'Rico' successfully learned more than 200 words representing different items. He could pick the correct item from all the items if asked to 'fetch' the item by word.

Dogs also use their ear positioning to show expressions. Being able to read your dog's ear positioning is important for dog to human communication and for dog to dog communication. Flattened ears indicate submission and pricked up and alert ears are an indication of excitement and intention to continue playing.

Understanding how your dog is capable of communicating with you and what they are experiencing from the environment is important for the pet owner to enable you to give your pet the best experiences.

## Callala Anglican Church

Mothers Day

The relationship between motherhood and religion has a long history, with religious beliefs of different persuasions impacting on the way mothers and motherhood are perceived, constructed and lived across centuries and cultures. In Judaism, mothers transmit Jewishness to the next generation; in Islam, mothers are both recognised and valorised as the first educators of children; in Christianity, Mary (the mother of Jesus) has treated motherhood as having special characters or qualities.

Many Australians will celebrate Mother's Day on May 12th and show their appreciation for the achievements and efforts of mothers and mother figures. Australians follow the Mother's Day traditions which stem from observances in countries such as the United States and the United Kingdom. The Mother's Day date in Australia is the same as the date observed in the United States, which is the second Sunday of May each year. However, it is an Australian who is credited with having started the tradition of giving gifts on Mother's Day: Janet Heyden, a resident of Leichhardt Sydney, started a campaign in 1924 to collect gifts for lonely aged mothers.

Today chocolate and cards are popular gifts to symbolize one's love and appreciation for their mother or mother figure. The carnation is a type of flower that is particularly symbolic of Mother's Day for some people. Its importance as a Mother's Day symbol is linked to Anna Jarvis, who is believed to have sent white carnations for a Mother's Day service in West Virginia, in the United States, on May 10, 1908.

Mothers Day or which I believe to be the correct expression (being English) is Mothering Sunday is a holiday celebrated by many Christians around the world.

During the 16th century in the UK, people returned to their mother church for a service which was held on Laetare Sunday; in this context, one's "mother church" was either the church where one was baptised the local parish church or the nearest cathedral (the latter being the mother church of all the parish churches in a diocese). Anyone who did this was commonly said to have gone "a-mothering", although whether this term preceded the observance of Mothering Sunday is unclear. In later times, Mothering Sunday became a day when domestic servants were given a day off to visit their mother church, usually with their own mothers and other family members. It was often the only time that entire families could gather together, since on other days they were prevented from doing so by conflicting working hours.

Children and young people who were "in service" (as household servants) were given a day off on that day so they could visit their families (or, originally, return to their "mother" church). The children often picked wildflowers along the way either to place in the church or to give to their mothers. Eventually, the religious tradition evolved into the Mothering Sunday secular tradition of giving gifts to mothers. During Mothering Sunday services in some churches children in the congregation are given a little bunch of spring flowers to give to their mothers. Around 1600, when the celebration was only

held in England and Scotland, a different kind of pastry was preferred. In England, "Mothering Buns" or "Mothering Sunday Buns" were made to celebrate. These sweet buns are topped with pink or white icing and the multi-coloured sprinkles known as "hundreds and thousands" in the UK. They are not widely made or served today in the UK but in Australia they are a bakery staple, not related to any particular celebration.

However you celebrate 12th May this year, remember your mother with love kindness and affections.

## Look Out Before You Step Out

Shoalhaven City Council is urging pedestrians to stay alert when crossing the road.

The advice comes as the 'Look out before you step out' footpath stickers are being installed at pedestrian crossings, intersections and pedestrian refuges throughout the Shoalhaven.

With an increase in technology use such as mobile phones, we are becoming less aware of our surroundings, as drivers and pedestrians we are more distracted. Drivers and pedestrians need to be more aware of their surroundings, drivers need to slow down and look out for pedestrians in high traffic areas. Even if pedestrians are familiar with the road, it's vital to take an extra moment to look out before you step out, and always choose the safest place and time to cross.

## Community Church

Decision time; not long after this issue is published those of us who vote will decide who will be running the country. Then again, just how many other interests will influence those who rise to power over the Australian people. We have lots of opposing ideas and voices vying for our attention or our vote; but, just how truthful are they? Some years ago in a discussion with a young person fresh from studies, who had landed a job in a Canberra Government department; they were given an assignment, to write a reply to a request, they were told what the conclusion needed to be, their task was to make the report convincing, by all means tell the truth, but stay with areas that support the decision. In other words, leave out whatever might be inconvenient in your reasons for the decision reached.

When it comes to so many issues (climate change, refugees, etc.) I receive lots of information from the various points of view trying to convince me that they are right. As someone who tries to weigh up these issues carefully, and honestly, I find validity in both sides; so, what is the real truth? Or, what is true for each of us is our perception, if we perceive something is true it will be very difficult to convince us otherwise.

Last month most Christian churches celebrated Easter; the death & resurrection of Jesus. During the Roman governor Pilate's questioning of Jesus, he utters these words; "what is truth?" This is the same question that many are asking today, the information overload from social media, many news reports that seem to be biased in one direction or the other make the task of discernment extremely difficult. What if, Jesus' claim to be the Way, the Truth and the Life is true; then truth is a person rather than a concept. How then can we determine if this is true? By examining Jesus' life would be a good place to start.

Jesus was at home with both the rich and the poor, he taught that each person had worth,

he taught and exercised forgiveness, he spoke of love being the greatest power, he elevated women in a very patriarchal society, he was a leader, yet spoke that his duty was to serve; he saw that our attitude of the heart was more important than our words and that true riches were in the way we treat our neighbours. I could go on, though this might give us a glimpse of what Truth looks like.

I wonder which of those we elect will exercise these qualities?

Taking this opportunity to wish all the mothers out there, happy Mother's Day, how much I owe to my mother for all her love and service. As Pastor of Callala Community Church, it is my privilege to serve, if anyone would like to discuss these or other issues, I would be very happy to meet with you or give me a call – . May God bless you all.

The Federal Government increased drought support of \$1.8 billion will help my local farmers who have been asking for a well organised approach to the assistance and fundraising by all Australians.

The drought response includes the appointment of a National Drought Coordinator, new tax breaks for farmers, low-interest loans and the application form for the Farm Household Allowance is being made easier.

However more awareness needs to be raised about the tough conditions facing our dairy farmers and I'll continue to fight for this on their behalf.

## Junior Sailing Club

The Callala Junior Sailing School (CJSS) completed its Autumn classes on Saturday 13th April with a delightful sail and a party in the boathouse. What a joy to see 20 students progress throughout the year to become competent and confident skippers and crew. What a wonderful bunch of kids! Thanks to the great effort by parents and volunteers throughout the year the sailing classes were outstandingly successful.

The CJSS Saturday classes resume in October after the winter recess. The 'Seafarers' group will meet throughout the lay-off doing essential maintenance, building new equipment so everything will be ship-shape for the new season in Spring. Why not come on down on Thursday mornings 0830-1030 to meet the crew and enjoy its activities, fun, chat and comradery.

Continuing our monthly look at the training boats at CJSS, it is time to look at the Laser Dinghy.

The International Laser Class sailboat is a popular one-design class of small sailing dinghy. The design, by Bruce Kirby, emphasises simplicity and performance with the strict one-design concept meaning that skill alone determines who wins Laser races. The Laser is one of the most popular single-handed dinghies in the world. As of 2018, there are more than 215,000 boats worldwide. CJSS has three Lasers, with full and Laser Radial rigs. It suits older and more experienced juniors who have outgrown the Open Bic and other dinghies. It is generally sailed by one person but can be sailed two-up. The Laser is an Olympic Class and the sky is the limit in how far you can go with the Laser in State, National and International competitions.

# Callala Community Garden

CCG has had an extremely busy month both in the garden and with a variety of fundraising initiatives.

The garden continues to grow (pun intended) our sensory garden and kids section have commenced and our strategy for disabled viability is proving successful (YAY!)

Many of the CCG family have obtained Working with Children certification and another successful visit from Callala Public School was held (approx. 50 students), amongst other things the students enjoyed learning about bulbs and each planted different varieties such as garlic, an absolute joy to witness. We also held a Devonshire tea and plant stall fundraiser at “the school” at their recent fete, we thank the P&C for their invitation (the canteen ladies hard at work pictured below!)

Callala Beach Progress Assoc. held their annual Trash and Treasure Market on Easter Saturday, this was a fabulous event, CCG had a plant stall, a cake and preserves stall and sold Devonshire teas from the canteen. We sincerely thank CBPA for their ongoing support and encouragement. Thanks once again to local celebrity Miss Indie and her mum Jennifer for visiting us and their very generous donations. A few members also sold raffle tickets outside of IGA (thanks to Ringo and team from IGA) on Easter Saturday. This proved to be a very rewarding day for us, while protecting one person's

identity we send a HUGE thankyou to the lady who donated \$100 to the raffle ticket selling team, because she supports the CCG project.

Thanks must also go to Mario who continues to provide CCG with plants and seedlings.

Our DA is still working its way through Council, we continue to apply for grants and we will continue to fundraise, our vision for “growth” does not need any “fertiliser” and we are all learning patience, which should make us all quite virtuous! The support and encouragement from the greater community, various local businesses and groups as well as the polities from all levels and “persuasions” continues to amaze.

Thank you to everyone who donated their time and products this month, particularly our ever faithful and hardworking members.

We encourage you to join us at our next monthly meeting or catch up with our ongoing adventures on our Facebook page.

## Garden Club Roundup

I hope you all had a wonderful Easter break. The April meeting was cancelled as it was Easter Saturday: instead the garden club held a plant stall at the Annual Senior Citizens Easter Bazaar. Our next meeting will be held on May 18th and it will be chaired by newly elected President, Bev Faulkner.

I have just been reading a magazine called "Your guide to growing herbs" and thought I'd share with you my favourite herbs which are very easy to grow.

Rosemary- with Anzac just around the corner, it is widely accepted the rosemary is the herb of remembrance. This herb is from the Mediterranean region and it's usually grown from cuttings. Take cuttings of the wood which should be firm but still green and place in potting mix. When struck and have established a reasonable root system, grow in a sunny position with good drainage or in a pot. Rosemary needs good drainage as it can rot easily if it gets bogged in heavy, wet soils. Regular pruning will encourage your plant to become bushier.

Parsley-I prefer the Italian parsley or flat leafed parsley as it has more flavour than the curly leafed variety. You can grow parsley from seeds or from starter plants. Parsley does well in full and partial sun, and the flat-leaf variety does quite well in hot summers.

Mint--all types of mint are fast-growing, spreading plants, so you must give them a place to spread without getting in the way, or plant them in a pot. Mints are vigorous perennials that thrive in light soil with good drainage. Minimal care is needed for mint. Start with a small cutting from an established plant. I put some cuttings in a jar of water as I was told it repels flies and mozzies and within days they started to root. Mint can be vigorous spreaders, so be careful where you plant it.

Coriander also known as Chinese parsley-this

herb is best grown in cooler weather and in a shady spot because it will go to seed quickly if the weather is warmer. Sow seed directly where you intend for it to grow or sow in pots and when established keep them well watered. It's an annual plant and leaves should be harvested when young.

Basil- -if you like pesto then you need to plant basil. The most common type of basil is sweet basil. Basil is easy to grow but it only grows outdoors in the summer once the soil has warmed up and will yield an abundant harvest within weeks. Water the plants well during the hot dry periods in summer and pinch out the flower heads as soon as they appear to make sure that the leaves will continue growing.

If you would like to join us and learn more about plants/gardening, we meet every 3rd Saturday of the month at the Banksia Senior Citizens Hall, IRT entrance, Culburra Beach at 1.30 pm starting time.

Happy gardening!

## Callala Golf

Saturday 23rd March Two-Ball Stableford Multiplier format for the day's competition was well supported by a good field of keen members and visitors. The saying "The early bird gets the worm" was very relevant today at Callala as Captain Craig Wassell and Brendan Wade took to the Tee first and obviously played some great individual golf to come home winners by a clear 3 strokes. The Callala 11th hole remains defiant to any attempts by players to take the now \$210 on offer by Gary and Michelle from South Nowra Golf Exchange. Not to be left out of the action was the combination of Graham Lewington and Ilija Sesum who also both played a great round of golf to record second place with 73 points. Both players took turns in looking like they would have been at home on PGA circuit. Well done to both of you on your well-earned second place. Third place went to Father and Son team, John & Taj Love, It was very hard to determine who was the dominate player out of the two. Congratulations John and Taj.

*Taj & John Love, Graham Lewington & Ilija Sesum,  
Craig Wassell & Brendan Wade*

Tuesday 26th March Today's Vets golf was a 2 person Ambrose event and we had a total of 20 teams hit off. First team home and today's winners were Colin Chessell and Terry London, Great round guys well played. Second was William Snelgrove and John Green with a nett 63 off an 11.00 handicap. Third team was Gary Jonas and George Jurotte with a nett 64.00 off a 10.00 handicap.

Saturday 30th March Today's Single Stableford

round. John Love won the day with 37 points off a 10 handicap. Second in was Colin Chessell with 36 points off a 14 handicap. Third was John Dobson with 35 points off a 21 handicap. Good rounds in the rainy and windy conditions.

*John Love 1st, Col Chessell 2nd, John Dobson 3rd*

*Bill Snelgrove, Perry Cousins, Michael Inness, Col Chessell

Tuesday Vets 2nd April. Today's Vets golf was a stroke round for the monthly medal. A good day with a field of 44 players. With the winner today and winner of the monthly Vets medal was Perry Cousins with a great round and a nett 66 off a 20 handicap. Well played Perry.

Second home was William Snelgrove with a nett 68 off a 9 handicap. Third was Michael Inness with a nett 69 off a 14 handicap on countback from Colin Chessell also with a nett 69 off a 14 handicap.

Good rounds guys and congratulations to Perry on winning this month's medal.

We also had a special award presented today to Kenneth Black who scored a hole in one on the third Par 3 hole on Vets Day Tuesday 6th November 2018. This award is presented by St Hallett Wines in association with Golf NSW.

Saturday 6th April. Today's game at Callala was a stroke round for the club Monthly medal. Today's winner was Terry London with a great round of a nett 64 off a 28 handicap. What's more he did it with an 8 on the par 3, 11th. There's always one hole that won't cooperate!! Well played Terry. Second overall today was Mathew Grant with a nett 65 off a 15 handicap. Third on the day was Colin Chessell also with a nett 65 off a 15 handicap. Fourth was Jason Woodward with a nett 66 off a 10 handicap. 'A' Grade medal winner was Mathew Grant with a nett 65 off a 15 handicap. 'B' Grade medal winner was Robert Ash with a nett 67 off a 22 handicap. 'C' Grade medal winner was Terry London with a nett 64 off a 28 handicap. Congratulations to all our medal winners for this month.

*Craig Wassell, Mathew Grant, Jason Woodward, Terry London, Col Chessell*

*Bob Dean, Billy George and Alan Mearns*

Tuesday 9th April. Today's game was a Single Stableford. We had a fair turnout of 38 players with the winner being, Robert Dean (Above) with a great round, scoring 43 points off a 36

handicap. Well played Rob, keep it up, let's get that handicap down!! Second was Terry Armstrong Visiting from Queanbeyan Golf Club, with 40 points off a 27 handicap. Third was William George with 39 points off a 21 handicap. Fourth was Alan Mearns also with 39 points off a 16 handicap.

Saturday 13th April. Fun round at Callala Today, with 32 players making up 16 teams for a 2 person Ambrose. The most fun was had by the winners who were Rob Jerman and Colin Chessell 2 good golfers who combined well to come in with a nett 57.25 off a 5.75 handicap. Great game guys well played. Second pair in was Michael Inness and Graham Lewington with a nett 58.00 off an 8 handicap. Another good round well done. Only top two prize winners today due to the small field.

*Col Chessell, Rob Jerman, Graham Lewington, Michael Inness Neville Shearsby and Steve Martin*

## Callala Golf

Tuesday 16th April.

A beautiful day for golf with a good field of 46 players teeing off. Today's game was a Single Stableford. Today's winner was Neville Shearsby (Above) with 40 points off a 24 handicap. Good game Neville & well played. Second also with 40 points, coming second via the dreaded countback, Was Steve Martin off a 31 handicap. Keep going Steve that handicap's coming down!! Third today was Terry Armstrong with 38 points off a 26 handicap. Fourth was Kenneth Black also with 38 points off a 19 handicap.

Saturday 20th April.

Single Stable format with great weather and field of competitors. Callala thanks the visitors Paul Dean, Brad Sultana and the three wonderful ladies, Carmel Downton, Cath Cousins and Tracy Bentley who joined us today. The Presentation was held with much light hearted jeering and heckling by the crowd in response to the great play of Captain Craig Wassell (1st) and Jeff Coe (2nd) be brought to the attention of the "Fun Police" for appropriate action. 3rd place Taj Love, 4th Guy Bentaley and 5th Alan Barnes all recorded 36 stableford points. Congratulation to all winners and commiserations to the rest of us!

*Guy Bentaley 4th, Taj Love 3rd, Jeff Coe 2nd and Captain Craig Wassell 1st*

## Pink Barefoot Bowls

An afternoon of fun was had on Easter Saturday, April 20 in fine sunny Autumn weather on the Callala bowling greens. Around 150 people arrived to join in the afternoon's activities resulting in \$1700 raised for Breast Cancer Research. The kids had a great day with a jumping castle and waterslide plus bowls to keep them entertained. Many adults had their first game of bowls, with some surprising result. Thank you to all who contributed and participated in the day.

## Callala Womens Bowls

The final of the Minor Singles was played in cool, windy conditions between Sam Bowerman and Judit Fraser, on Sunday, March 31. Judit started well, winning the first end with 3 shots. The lead changed several more times until Sam took a commanding lead on the 15th end, to win the game 26 – 7. Congratulations to both players, especially to Judit, as this was her first competition game.

Tuesday, March 26, Audrey Mansfield, Tracey Semovente and Terry McMillan defeated Judit Fraser, Beverley Young and Lyn Byrne, 15 – 12.

On Tuesday, April 2, the ladies had a game and a training session, giving the newer ladies a chance to play in different positions. We have quite a few players on the sick list, unable to play at the moment, we wish them all a speedy recovery. As usual, we are looking for new members and welcome anyone wishing to have a game or learn to play to come along to Club Callala by 9am Tuesday mornings.

Lyn Byrne, Beverley Young and Terry McMillan travelled to Nowra Bowling Club on Monday, March 25, to play in the Lyrebird Triples, which was played in cooler conditions. In the first game, Callala drew a team from Culburra, Marilyn O'Day, Trish Bailey and Helen Neilsen who won the game. We were narrowly defeated by the Bomaderry team in the afternoon game. Despite the results, we had a great day and caught up with friends.

Sunday and Monday, April 15 and 16, Callala entered a team in the Currarong 6 a Side Tournament. Terry McMillan, Tracey Semovente, Julie Buchanan (Ex Servos), Beverley Young, Samantha Bowerman and Lyn Byrne played on Sunday with Audrey Mansfield replacing Tracey on Monday. The format of the tournament was a game of fours, pairs and triples on both days. Sixteen teams from Malua Bay in the south to

Warilla in the north participated over the 2 days. Although Callala didn't make it to the winner's circle, we were lucky enough to pick up the Encouragement Award.
