## IMPORTANT NOTICE

With regard to the CBCA Executive and committee, members are reminded that the current executive will be standing down and the positions of President, Vice President, Secretary and Treasurer as well as other committee positions will be vacated. What are the consequences if these positions are not filled we will have no alternative but to wind down the CBCA. This will entail

- Withdrawing from the Community Consultative Body to the SCC which means the community will not have any representation with the SCC
- Discontinuation of supplying Doggie Bags
- We will need to decide whether we run the Newsletter as we have a number of paid advertisements or whether we refund those who have paid already
- Discontinuation of events such as Australia Day, Carols etc
- Liquidation of all assets and distribution of remaining funds to financial members or donation to a community organisation.

We have been signalling this now for 12 months but we have not received any expressions of interest. Friends the future of the CBCA is in your hands whether you are prepared to pick up the baton and run with it is entirely up to you. There is no easy way to say it or sugar coat it. If you are interested please let us know.

The CBCA AGM will be 12/02/20. Members are reminded you must be financial to vote at the AGM, or to nominate for a position. Membership fees can be paid at the February meeting or paid by EFT to the Callala Bay Community Association, BSB 633000 A/c number 141737692 Bendigo Community Bank Nowra.

If paying by EFT please include your name for

identification purposes.

The executive takes the opportunity to thank everybody for their support, but the time has come for new blood and new ideas. In the transition stage the outgoing committee will lend whatever help is needed to ensure a smooth handover. Please contact us at;

**admin@callalabaycommunityassociation.com**  
for more information.

The annual financial reports will be presented at the AGM and a summary of our financial position is included in this newsletter for discussion. Please see page 7

### *In Memory of Dr Rosita Rossman*

Sad news. Dr Rosita Rossman, passed away Tuesday 21/01/20 in palliative care in Liverpool Hospital after a long illness.

Rosita was our GP at the Callala Medical Centre for so many years until her retirement. She was a good friend to so many. Our thoughts and condolences go to her family.

## Valentine's Day

When I was growing up, Valentines Day was significant in our family. In fact, it was my father's favorite celebration. Dad proposed to my mother with a diamond ring on February 14th and of course she said Yes. Every year after he brought her a big box of chocolates. The loved they celebrated on the anniversary of their engagement was very special.

"O my love is like a red red rose", wrote Robert Burns two hundred years ago. It seems modern lovers agree. Florist shops will deliver more flowers than any season of the year. Hearts flowers cupids with their arrows chocolate cards and romantic verses are some of the pictures that come to mind when Valentines Day is remembered.

But have you ever wondered how all this relates to the Christian martyred Saint Valentine?

The true origin of Valentine's Day is not easy to discover. Research turns up a variety of stories that have influenced the way we celebrate the day. The present traditions are a mixture coming from all of the stories that a true remembrance of the martyred Saint Valentine.

Like so many of our cultural celebrations, this February date can be traced back to a Roman festival of romance. It was a fertility festival or lover's holiday looking forward to the return of spring. In the 5th century in an attempt to abolish the pagan festival, Pope Gelasius changed the pagan date of celebration to 14th February and called it Saint Valentines Day, and even though the name and date changed the emphasis of the celebration continued to be on "lovers".

Valentine was a young priest who was beheaded on this date because he refused to renounce his faith in Christ. The legend tells how just before being led out to his execution, the young Christian wrote a note to his jailer's blind daughter signing it, "From you Valentine". The very first Valentine

was from a Christian.

Over time the word Saint has been dropped from the title of the day, removing society's memory of the Christian reason for the days celebration. Instead of the negative reaction of the pagan origins of the day, let us reclaim and celebrate the meaning of true love that compelled young Valentine to give his life. What a wonderful opportunity to lead our young children into a better understanding of God's love, which enables us to love one another.

The ultimate description of love is found in John 3:16 "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal Life".

Rev Sue Fisher

Assistant Minister (Honorary)

Culburra Beach Callala and Curarrong

## Garden Club Roundup

As bush fires hovered close in the south coast, it was an anxious time for many of us. Who can forget New Year's Eve- at 4pm it was already dark, smoky and the sun was a fire ball blazing in the sky? I had mixed feelings wishing family and friends a Happy New Year after watching the destruction left by fires on the media. We salute the fire fighters and volunteers for their effort and endurance, and we are so grateful that our local districts were spared. On a happier note, I spent Christmas in Hobart and while I was there temperatures were mild and there were no threats of bushfires. Everyone in Hobart was awaiting the yachts in the Sydney to Hobart race. Just a few minutes from Hobart are the Royal Botanical Gardens. These gardens are the second oldest after Sydney which were established 2 years prior. The gardens are beautiful and as I walked around each section, I took note of other types of drought resistant plants growing happily with cacti and succulents. As much as I love cottage garden plants, I must rethink my garden when summer ends. It makes sense to plant drought resistant ones which are hardy and can tolerate heat and wind conditions.

Here are some of the following which stood out at the garden -

\*Kniphofia Poco Orange-this is an evergreen dwarf poker which clumps to form striking yellow or orange flowers in summer .It is drought tolerant once established and prefers a full sun to part shade position

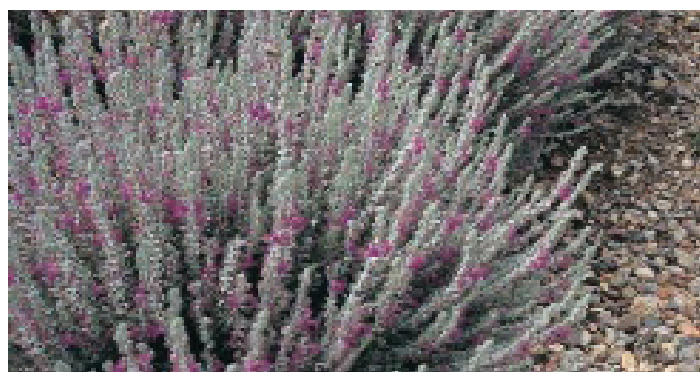

\*Arthropodium Cirratum (Renga lily)- another hardy, evergreen, clumping perennial with broad

lush green foliage with sprays of delicate, white flowers in summer. It prefers a filtered sun to part shade position: ideal under trees and is drought tolerant.

\*Teucrium marum, the cat thyme- this is the first plant I noticed when entering the main gate- this species is not really a thyme. It has small, oval leaves giving it a thyme-like appearance. This cat thyme is a perennial with grey-green leaves tipped by fragrant pink flowers in summer.

\* Yucca-flamentosa -Golden sword- Yucca flaccida 'Golden Sword' is an easy-to-grow, yucca. It has bright, yellow foliage with a dark green edge and bell-shaped, creamy-white flowers in late summer.

Our first meeting for 2020 will be February 15th\*\* Please join us when we meet every 3rd Saturday of the month at the Senior Citizens Hall, IRT entrance, Culburra Beach at 1.30 pm. Happy gardening! Doris (secretary)

## Bushfire Season

We would like to take this opportunity to thank all our extremely brave volunteer RFS workers. They have tirelessly worked around the clock for months to protect lives and properties.

This fire season has been particularly devastating, 30 people have lost their lives, our heartfelt sympathies are with those affected.

We have lost more than 10 million hectares of bush, forest and park. But the biggest losses have been to our beautiful wildlife an estimated 800 million animals have lost their lives, including 30% of NSW koalas.

Australians and people around the world have donated very generously to various charities to help people recover but the same amount of money hasn't been flowing to our wildlife organisations.

Please dig deep and consider donating or volunteering to our wildlife organisations, our beautiful animals need your help. Australian wildlife is unique in the world and most species only call Australia home, it is our responsibility to protect and care for them.

Please visit;

**[www.wildlife-rescue.org.au](http://www.wildlife-rescue.org.au)** to donate and/or volunteer

## South Coast Vets

The recent unprecedented and wide spread fires have had a severe impact on wildlife, including threatened species. Many animals have been killed or injured. Those that have survived are left without their usual habitat, they have little or no food, water or shelter, resulting in starvation and dehydration. They are also at increased risk from feral predators like foxes.

Injured and sick animals are being rescued and cared for by licensed rehabilitation organisations

and individuals. It is important to get help from these trained carers if you come across animals in need. Injured animals can be dangerous to handle. Handling injured animals may cause them further stress if not done correctly. Entering fire-affected areas can be very dangerous.

If you find a sick or injured native animal in the Shoalhaven, please contact Wildlife Rescue South Coast 0418427214. Members are trained specifically to care for sick, injured and orphaned Australian Native Wildlife. If you would like to make a donation the money is used to acquire medication, bandages, specialist wildlife food, supply expert veterinary care and to repair or replace cages, aviaries and other equipment lost in the fires.

NSW National Parks with the NSW Government is designing and implementing an emergency recovery plan to protect and restore wildlife populations. They are conducting a rapid assessment to identify habitat that has been lost to threatened species and taking action to provide supplementary food, shelter and water to threatened species. For example; targeted food drops for brush-tailed rock wallabies and watering points for koalas.

National Parks is also increasing feral animal control with fox baiting, trapping and other control measures to protect threatened species. Weed control is being implemented to protect habitats.

## Community Church

February already; during the past few months we have experienced so much disruption with fires and ongoing drought. With Autumn only a month away how will the tragedies of the past months affect the way we see the year ahead? Will, as some suggest our future direction will be determined by these recent events? Will the ongoing debate on causes just lead to finding someone to blame, creating further division within our nation? Or, will the generosity so plainly seen, take our focus off ourselves and towards those in need? These are important questions, my hope is that we will move from the blame game and start getting together, finding solutions that see the problems from a wider perspective.

During these recent fires one word that we heard used repeatedly was; “the Apocalypse”. We may have seen films depicting the end of the world, scenes of terror and destruction. Or, maybe we have heard or read of this term in sermons or Christian literature. But what does it really mean? The Greek verb *apokalypso* simply means to uncover, disclose or reveal. Rather than revealing doom or end of the world stuff, it has revealed the generosity and the resilience of many within our community. And, hopefully a better way of being Australian. We have also revealed the bravery and self-sacrifice of our emergency services; perhaps it also revealed some inadequacies of our fire prevention strategies and which equipment was the most effective. I’m sure in the wash up we will have lots of debate; we can only hope this will not be politically driven and a broader debate might reveal the truth. Not my intention to comment any more although I wait with interest for the final analysis.

As we consider what *apokalypso* means; I wonder if we might consider the following statement; If Jesus is the revealing of God in human form, and I believe he is; then what does he have to say to us as we navigate through the coming year? Jesus tells us not to worry. Worry accomplishes

nothing, God calls us into action. Jesus reminds us that by worry we cannot add even an hour to our life. Not only can worry not achieve anything, what it can do is rob us of our peace, and at times our ability to think clearly.

Jesus also reveals that God loves all people, even those who fail to acknowledge him; “This is how much God loved the world: He gave his Son, his one and only Son. And this is why: so that no one need be destroyed; by believing in him, anyone can have a whole and lasting life. God didn’t go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again”.

Perhaps these last months might have caused some to consider more seriously that there is a God and he cares about what is happening to us; I am available if anyone would like to discuss these or other issues. Give me a call – Kevin Kettlewell - 0437338739

## Australian Historical Society

The CBCA recently joined the Royal Australian Historical Society to take advantage of a very competitive Public Liability Insurance Policy which will save the CBCA a substantial amount of money in premiums without any loss in coverage or benefits.

We thought it might be a good opportunity to compile a history of Callala and submit it to them for their publications. To that end if anybody has any old photographs, newspaper articles or anecdotal history- eg who can remember when the brumbies ran through the village, or the night the riot squad had to come, who can remember the original shops or the building of the original fire shed ( now the site of the progress hall) please send them to us.

We will also make available our copy of the Biannual Journal and the quarterly History magazine to loan out to interested members

# Australia Day at the Bay

Australia Day Breakfast by the Bay 2020- best day ever!! Rough count over 300 people including children, various pets of all sizes including 1 white rabbit. Perfect weather. Callala RFS cooked up a storm, Kenny sang, Daniel entertained and Zoe made coffee.. Our raffle raised \$1175.00 which will be split between Callala Bay RFS and Callala Beach RFS. My thanks to my CBCA Crew, Jimmy Townsend, James Morris, Margaret, Julie, Sandra and Pauline We would like to thank Seaside Mower Doctor, Grant Kime, Safety First Pest Control, Bay Village Meats, Vanessa Middleton, Crookhaven Mechanical Repairs and All Hours Glass for their generous support . The winner of the raffle was Willem Neggers who took home the goodies. Sort of very fitting as Willem is a member of the SES and also manned the radios on the emergency centre during bush fire crisis.

We observed a minute of silence to recognise those who had lost their lives in the current bushfire crisis- only the sound of the waves could be heard. It was a truly moving moment. Sue Borrowdale received a standing ovation following her talk about her personal experiences in the aftermath of visiting some of the villages ravaged by the fires.

Sue and members of her team can be seen "cooling off" in the creek after the BBQ (see picture page 23.)

## Medical Report

February is "Don't wait it is too late" month, this is Bowel Cancer Australia's annual public awareness campaign is aimed at raising awareness that bowel cancer often develops without warning signs. Bowel cancer is Australia's second biggest cancer killer, after lung cancer. It affects men and women, young and old. Over 15,000 Australians are diagnosed with bowel cancer each year, 1,115 of whom are under the age of 50. If detected early, 90% of cases can be successfully treated so don't wait until it's too late!

Screening is simple, just collect a bowel cancer kit from your GP or your chemist, or you should receive one every 2 years from the government. Please contact your friendly team at Callala Medical Centre if you need more advise about this topic. "

### PARTIES

The Google dictionary has one definition of a party as, "a social gathering of invited guests, typically involving eating, drinking, and entertainment." We all like a good party. It's great to have a good chat, meet other people and relieve the stress and pressures of the day. Some food, a drink (in moderation) and a good laugh is usually just what the Doctor ordered, however, there is a sinister side to some parties.

Everyone has a mobile phone (except me) and always carries their wallet or purse around with them either in their pockets or draped over the shoulder, so when you go to a party, the phone etc. comes with you. It seems that there are times whilst at the party, some people, whether they get complacent or have their awareness reduced by intoxicating liquor or even guided by trust, leave their valuables somewhere at the party where other persons may have access to them throughout the night.

If this occurs, you are giving a person who gravitates towards thievery (A Crook) the opportunity to steal your Phone, Wallet/Purse or all of the above. At the end of the night when the smoke and noise have dissipated, and the lights go on you find that your valuables have also dissipated. By the time that you realize what has happened your credit cards have been used down the local 24hr shop and your bank account is at lease a couple of hundred dollars down.

Please be vigilant at parties. Only take with you what you can look after. Phones and wallets in pockets when not in use. Ladies, I find a little clutch bag draped over the shoulder is a great way of storing your valuable's along with a chap stick and some lippy.

# Callala RSL Golf Club

The course is looking good given the bad conditions over the past couple of months. The greens in particular are looking amazing and are running well. Our golfers have weathered the smoke from the fires and the hot conditions to take to the course and play the game they all love.

Men's Monthly Medal was played on 4/1/2020 in trying conditions due to the smoke from the fires. But our keen golfers pressed on with Perry Cousins taking out the Medal with John Dobson runner up for the day with Catherine Cousins coming up 3rd.

The Vets Monthly Mug was played on Tuesday 7/1/2020 and a group of 38 eager golfers took to the course again in smokey conditions to battle it out. George Jurotte came in with 65 nett followed by Steve Chapman with 67 and Andrzej Kozinski with 70. Well done everyone.

Mens Golf 11/1/2020 was again a Monthly Medal with Rob Jerman coming in with a beautiful 65 nett, taking out the medal for A Grade, Harry Dowling B Grade with 67 and Neil Sparks C Grade also on 67 nett, out of a field of 38 players. Nearest the Pin on 10 was Billy Downton, 14th S White and on the 16th R Jerman. Everyone left the 11th alone.

Vets Single Stableford was played on the 14/1/2020. The winner out of a field of 49 golfers was Alan Schatzman with a beautiful stableford score of 43 points. He was followed closely by William Snelgrove with 40 and Roger Burton on 39.

Saturday 18/1/20 saw 30 players take to the field for a Stableford Aggregate. Terry London and Michael Inness came in the winners with a score of 76, followed by Aleksander Lichacz and Dean Irwin with 72 and Sandra England and Stephen Martin with 71. Well done all.

Nearest the pin was John Latta on 10th, N Shearsby on 14th and R Jerman on the 16th which I may add he also eagled. Great golf Rob. Rob also got nearest the pin on the 11th also taking out the \$100 for being in the circle. Great

playing Rob and congratulations.

The ladies have not played due to the Christmas/New Year break but will be back on board on the 5/2/2020. Any ladies out there who would like some company and play golf are welcome to join us every Wednesday, and of course, they can also play in the competitions on the Tuesday and Saturday games.

## Callala Bowls

The first competition of the year was the Men's Fours. This was a very keenly contested event culminating in a very hard fought final on Saturday, January 18, in overcast, coolish conditions. Ron Wilkinson, Dion Gadd, John Wright and Dennis Beazley got off to an early lead, 5 - 1 on the 4th end against Norm Delaney, Glenn Brindle, Col Neighbour and Grant Ridges. Dennis' team continued to lead comfortably until the 11th end, 15 - 5. Grant's team won 7 shots to 3 over the last 7 ends, but not enough to win the title. The final score was team Beazley 21- 12. Congratulations to the winners and to both teams for a great display of bowls.

The next event on the 2020 calendar is the Major Singles.

The ladies commenced their 2020 bowls season last Tuesday, January 14, with a social game of triples. We are still looking for new bowlers, no experience necessary. Just turn up around 9am Tuesday mornings. Instruction and bowls supplied.
